CWP No.2332 of 2006.

Sh.Mukul Aggarwal,Advocate for the petitioners.

Sh.H.S.Hooda,Advocate General Haryana with
Sh.S.S.Goripuria,D.A.G.Haryana

Sh.Narinder Hooda,Advocate.

Vide the consensus order dated 18.7.2006, the parties to the petition had agreed to for the appointment of Hon'ble Sh.Justice D.S. Tewatia (retired Chief Justice of the High Court) to examine and finalize the disputed membership list of the Jat Education Society, Rohtak, and his report is to be binding on all the concerned parties. Justice Shri Tewatia has since submitted his recommendations after finalizing the membership list in his report dated 8.12.2006. Having gone through the report, we accepted it in toto vide the order dated 30.1.2007. However, looking to the respect and acceptability which Justice Shri Tewatia commanded among the members of the Society and the parties to the petition, and the nature of assignment which he has carried out in the interest of the Society at his earliest, despite his advanced age, as a mark of respect to him, we went a little further to the extent of issuing direction that “the future elections of the Society shall be held only under his supervision and guidance and if he so desires, he may continue to hold his position till the results of the

elections are declared". But vide a communication addressed to the Registrar General, he has expressed his inability to continue with the assignment to supervise the election of the society after submission of his report.

As we have disposed of the writ petition vide the above order dated 30.1.2007, and since the further direction was to apply only in the case of Justice Shri Tewatia, no further order/direction need be and could be passed in this writ petition.
